

"In Gods Best 12"

My heart has been strangely
touched as we sang two of the
Greatest Songs of Praise and
Adoration — They Reminded us
that God is God // And there is
no other like Him —

We heard the "He Made all things"
Even those things we take for
granted — The Stars // The trees
The wind // Even the Country Side
Maneers loved so much —

God Made Himself known in
all of it And Marcus Reason
saw it, And was reminded,
That God is God

my heart was blessed in remembering
how much God loved us // and we
were reminded that giving His very
own son, was His way of showing
that love —

I was reminded that a response
to that love could bring
Blessed Assurance —

Knowing that when this life ends,
(And it surely will) **Here is evidence**
that those who know God's Son
personally, will be forever safe
in His arms - **What joy & assurance**

**One Song mentioned a Great Price being
Paid** // It was the life of God's Son
that purchased Salvation, and made
it a gift to all who would receive Him

Yea God is a Great God // He has no equal -
My prayer is that you have / or
will have "Blessed Assurance" before
this Memorial Service ends

Now Great As God is // wonderful on His
promises **one** // There are many Questions
Raised today // Many emotions experienced

But that **Only Assurance** / we Question what we
don't fully understand //

Paul wrote in 1 Corinthians Chapt. 13
Verse 12. Things are not clear to us
now, but one day they will be - we
don't understand today, one day we will

2/ What are these emotions, Some are
Bitterness, others Unbelief —
Then are Doubts - Fears. And yes,
Then are hopes — Surely in His
lifetime, Manure experienced them all.
} They are all part of the experience,
{ And one not uncommon —

In speaking to this Precious Mother, who
Manure loved so much, I heard her
say, "I Guess I'm selfish, is not
wanting to give Manure up"

Oh Dear hearts "That's Not selfish, that's
how God made Mother" And aren't
we glad —

Oh but listen carefully, The God who had
a man write, "all who enter this life
will one day die" Heb. 9:27, also
made provisions for this day.

In the Gospel of John, Chapt. 14 it is written:
Let not your heart be troubled,
If you trust God, the Father, you
can trust God the Son"

And Dear Family & Friends, if you want the "Blessed Assurance" we long about, you must trust God, you must believe in His Son -

Perfect Submission must become a reality, that means: "Letting God be God in your life, and letting Jesus be your Savior & Lord -

If you are to successfully deal with your emotions & questions, you must trust God to help you.

We hear people say: "Oh but I'm so lonely, I don't know if I can face life alone"

I remind you of God's Promise in Hebrews 13:5 when He says: "I will never leave you nor forsake you, and Verse 6 says: This is God's Promise

Oh dear hearts, the God who is so great has never broken a promise, and He never will - Just as you said: "I'm not alone" - So is God.

31 You Said: You Always Know where
Moses Stand, You Can Always Know
where God Stand also —

The Writings of Proverbs Said This: "Call on
God while He is near, And be Reminded
those who seek Him early shall Find
Him — ~~God also said:~~

~~Call on me while I am near, seek
me while I may be found~~

Why does God's Word say this? Because
He is God, He Cares for You —

I need to Remind our hearts of a
Great truth, God Cared for Moses —
{ If you know God & His Word you'll know }
how much.

Never was there a time when
God was not present in His Spirit
He was always where Moses was

He Cared for Moses & He Cares for You
And Me — The purpose of a Service
like this is to Remind us of that
we need to hear God's word —

So many people have said: "Oh but
Mormon was so young" And the war.

But may I remind each of us -
Young & Old alike that, "Age is not
always the deciding factor."

I'm convinced this is the reason the Prophet
wrote in Psalm 90 Verse 12, "Teach us Oh God
to Number our Days, / Teach us to see
each new day as an opportunity to get
our hearts right with God // Remind
us Oh God that we will not live forever"

Mormon was a busy man, he would often
stop at the church or our home for a
brief visit - He would always say: I
don't have much time, but just wanted
to say hello -

I loved these times, because I could see
Mormon - These were cherished moments
precious times - Always, the subject of
God would come up -

The opportunity to share some of
God's word was there - Mormon heard
how Great God was, and how to become
His child -

4/ The time was not long, but it was
good time, I pray, well spent -

Time is so precious - we need to be
aware of it, And use it wisely -

I must share this As we speak of time
I love I. Conroy - And Marlene W. Conroy -
Last Wednesday, a precious child
of God (a friend of Marlene) felt led
of the Lord to call many churches
in the area, Asking that at 7:00 pm
they unite in prayer - with Marlene
as the object of that prayer

It was our privilege at North Creek Baptist
Church to be a part of that prayer time.
(Just for Marlene)

You see if you believe the Word of God,
You believe that prayer blesses God

When the people Knew to pray
They were saying: "We believe God
We know how precious time is"

But no one knew how
precious it was for Marlene -

New Some Unbelievers would Surely
Say, "You, Wasted your time" Not So

You Never Waste your time talking to God,
You see my Prayer was this:
Oh God, You know what man's Greatest
need is because You are God — If it's
Physical, Oh God, I would appreciate
You meeting it —

We Also Prayed: Oh God, if Man's Greatest
Need is Spiritual, In the Name of
Jesus, we Ask You to meet it —

Not Demanding // Simply Asking & Believing
You see Only God knows what our
Greatest need is — Yours I mean,
And He knew Man's Greatest need —

Paul the Apostle Wrote: If we place our
Requests in God's Hands, Believing He
will do what need be done, A great
peace will come over you — A
peace More wonderful than the
human mind can understand —

5) Thursday Morning, that Precious Young
Child of God called, She said:
But, McNeill, you surely knew that Maren
passed away, even as some were
praying last night - (we said yes)

Then she went on to verify the word
of God in what she said: "But in
a Real & Very Special Way, God has
impressed on my heart that our
prayer was not in vain - She said:
I have a Real peace in my
heart about Maren - And I said praise God

God wanted you to hear that today Dear
family & Dear friends - He wants you
to have that same peace - I hope
you have it - I hope that each
of us have looked at our own needs
today - And that our hearts will
remember how precious time is -

James the Brother of Jesus wrote: "Life
is like a vapor, Now you see it, then
you don't"

I believe Maren would honor you
remembers that too -

Let God be God in your life -
Call on Him while He's Near, seek
Him while He may be found -

U He wants to be your help, and
Jesus wants to be your savior -

Just as He came for Maran, God comes
for you - He'll do whatever you
need Him to do, if you'll allow it.

No, the time spent in prayer last
Wednesday was not wasted, I believe
in my heart that God did exactly
what He was asked to do for Maran.
Meet His greatest need.

Now as we go, our prayer for you is
this: That a peace more wonderful
than any human mind can
understand be upon you, and
remain with you, now &
always -

May we pray.
